

LET'S GO PRAYER GUIDE

No vision this large can be accomplished without tremendous, persistent prayer. We will use this card as a reminder and guide to help us seek God and unite our prayers during this season. Use a prayer focus from below each time you pray. End your time of prayer with the Grace Family Prayer on the back of the card.

- » **PRAY** that God would bring revival where Jesus Christ is adored, the Spirit of God frees, lost from God are found, faith and repentance flow, praise and prayer erupt, lives and communities are transformed, love and joy fills hearts, freedom overwhelms, believers are empowered, barriers are broken down, the hungry are fed, needs are met, marriages are restored, families are reunited, sick minds and bodies are healed, and prodigals come home!
- » **PRAY** for your friends, family, neighbors, and co-workers who don't know Jesus (write a few of their names on this card). Ask that God would give you wisdom and grace as you interact with them, demonstrate the love of Jesus, and share the Gospel. Pray that the Spirit would draw them to understand the Gospel and choose to trust Christ as their savior.
- » **PRAY** for the 50 million people who live throughout the Northeast. Ask that God would ignite powerful movements of the Gospel across cities and families up and down the Hudson Valley. Ask God to send out Gospel workers because "the harvest is plentiful, but the workers are few" (Matthew 9:35-38).
- » **PRAY** for those that we've been called to love and serve: those living in poverty, immigrants, the fatherless, families with special needs, prison populations, the addicted, the depressed and mentally ill. Ask Him to show you ways to personally love and serve those around you who might be in need.

GRACE FAMILY PRAYER

Lord God, we have witnessed time and again in Your Holy Word, in Biblical history, and through the history of Grace Community Church that You are a God of mission and miracles. Your heart breaks for those who are hopeless, helpless, and lost from the saving love of Your Son, Jesus. We know because You have broken our hearts for the same.

Now, Oh God, we heed Your call to step out in faith and risk by giving our time, talent, and treasure to join You in Your story, Your vision, Your initiative, to reach Orange County and beyond for Christ by making fully devoted followers of Him.

But Lord, we confess Your call is daunting, overwhelming, and seemingly impossible. Our time is limited, our talents meager, and our resources few. Yet You are the God of the impossible. So, Lord, our God, we plead with You to hear our hearts and voices. We plead that You would move in the hearts of Your people to pray desperately and give lavishly for Your glory, for their good, and for the joy of those who don't know You...yet.

Make us weep, Oh God, make us weep, at how miraculous Your provision will be through Your people. May Your provision be so overwhelming, and may the fulfillment of Your vision be so breathtaking, that we simply bury our faces in our hands, fall to our knees, and break out in prayerful praise and worship of You.

Until then, Sovereign God, we pray the words of desperate King Jehoshaphat who cried out with his people, "We are powerless.... Oh Lord! But our eyes are on You!"
(2 Chronicles 20:12)

In Jesus Christ's mighty Name!

Amen.
